Ghost Boys Jewell Parker Rhodes,2018-04-17 A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

The Catcher in the Rye J.D. Salinger, 2018-11-06 Anyone who has read J.D. Salinger's New Yorker stories, particularly A Perfect Day for Bananafish, Uncle Wiggily in Connecticut, The Laughing Man, and For Esme--With Love and Squalor, will not be surprised by the fact that his first novel is full of children. The hero-narrator of THE CATCHER IN THE RYE is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. The boy himself is at once too simple and too complex for us to make any final comment about him or his story. Perhaps the safest thing we can say about Holden is that he was born in the world not just strongly attracted to beauty but, almost, hopelessly impaled on it. There are many voices in this novel: children's voices, adult voices, underground voices--but Holden's voice is the most eloquent of all. Transcending his own vernacular, yet remaining marvelously faithful to it, he issues a perfectly articulated cry of mixed pain and pleasure. However, like most lovers and clowns and poets of the higher orders, he keeps most of the pain to, and for, himself. The pleasure he gives away, or sets aside, with all his heart. It is there for the reader who can handle it to keep.
