**To Middle-Earth and Back Again** Kaitlyn Facista, 2018-09-15 Journey through J.R.R. Tolkien's Middle-Earth and back again with this new companion journal and devotional by Tea with Tolkien. Chapter by chapter, grow in Hobbit-ness and Holiness as you reflect on major themes, quotes, and characters from *The Lord of the Rings*. This workbook journal explores Tolkien's Catholic faith and the influence it had on his writings, inspiring you to reflection and action as we seek to carry the spirit of Middle-Earth into our own daily lives through journaling prompts, discussion topics, and tangible action items. Journey alongside Frodo, Samwise, and the other members of the Fellowship of the Ring as they each play their parts in the War of the Ring; and as they come to the final chapters of their tale, you may find yourself altogether changed as well. For each chapter of *The Lord of the Rings*, this workbook includes: a chapter summary; space for note-taking; a short reflection on a theme, quote, or character; and discussion and/or reflection prompts. This workbook also features several On the Road bonus sections concerning certain characters and events, such as Tom Bombadil and the Gifts of Galadriel, where we can

take the time to dig deeper into Tolkien's legendarium.

**No Sleep** DJ Stretch Armstrong, Evan Auerbach, 2016-11-23 No Sleep is a visual history of the halcyon days of New York City club life as told through flyer art. Spanning the late 80s through the late 90s, when nightlife buzz travelled via flyers and word of mouth, No Sleep features a collection of artwork from the personal archives of NYC DJs, promoters, club kids,

nightlife impresarios, and the artists themselves. Club flyers, by design, were ephemeral objects distributed on street corners, outside of nightclubs and concert halls, in barbershops and retail shops, and were not intended to be preserved for posterity. Through the 90s, they became both increasingly prevalent and more sophisticated as printing technology evolved. Overnight, however, with the advent of the internet, the flyer essentially disappeared, despite it being common at one time for promoters to print thousands of flyers for any given event. Recently, these flyers have become sought-after collector's items.

Save the Date Various Authors, 2021-06-01 Something old, something new, something borrowed, something blue, and a sixpence for her shoe. A woman realizes she was meant to decline a wedding invitation, but only after she's arrived. Can she borrow some of a stranger's charm to make it through an awkward night? A power outage during a rehearsal dinner. A vanishing bride. A distraught groom. How's an innkeeper to keep up? Especially when the bride reappears with a strange request: help her escape her own wedding. It's awfully easy to bring "something old" to your wedding when one of the brides happens to be Death's 700 year-old Head Minion. As if a museum wasn't enough of a draw for a history nerd, throw in holograms, a secret wedding, and a mysteriously well-informed woman and things really get interesting. Weddings are so much more than parties. They're a gathering of family and friends. The start of an adventure. And most importantly, they're a celebration of love.
